- In considering such players, SQW will have regard to European Squash Federation (ESF) eligibility requirements. Please see appendix.

  - a. The player must produce documentary evidence of his or her qualification for Wales by virtue of the Birth Certificate of his or her Parent or his or her citizenship or his or her 4-year residency; and
  - b. The player must then sign an SQW player commitment form and abide by its terms; and
  - c. The player must achieve and maintain a Welsh ranking.
- Where a player achieves selection for a Welsh squad, the player will be expected to relinquish his or her national ranking in the country of his or her birth.
- Where a player achieves selection for and represents Wales in any ESF recognised International squash team event, that player will be unable to represent his or her country of birth or any other country for 3 years from the date of the relevant event or the last relevant team event in which he or she participates whichever is the later.
