

STOP! THINK!

IS IT SAFE TO PLAY?

Lets work together to keep squash safe, and keep clubs and venues open! Always check first with your club/venue on what their current rules / policies are.

Keep your distance - ensure that you adhere to current social distancing guidelines at all times

DO NOT come to the club/venue if you or anyone in your household are **unwell, even with mild symptoms.** Follow NHS guidelines and report your symptoms to the club/venue for contact tracing purposes

Wash your hands frequently, including before and after you play. Don't share equipment with anyone

If you become sick or display any symptoms, let the club/venue know

Leave the club/venue in a timely manner

Follow Government and Public Health Wales advice at all times

Please continue to follow current Government guidelines as these will always supersede any club/venue or Squash Wales guidelines. For further information please visit: www.squash.wales/covid-19/ or www.gov.wales/sport-recreation-and-leisure-guidance-phased-return
